- Rock climbing

## EXPERIENCE

**NB Studios**, *Videographer and Editor, New York, NY, 2017 - Present*

- Shot and edited a variety of projects including music videos, specs, web series and red carpets
- Participated in pre-production meetings to detail all production and client needs
- Created shot lists in preparation of all shoots
- Arranged and set up all gear prior to shooting including tripods, cameras, lights and microphones
- Contracted team members as needed including camera operators and video editors
- Collaborated with clients during the editing process to meet all expectations and deliver final product in a timely fashion
- Edited and color corrected final footage
- Select clients: 305 Fitness, Open House NY, Matthew Murphy, Broadway Black

**Adventure We Can**, *Camera Operator, New York, NY, May 2021 - Present*

- Operated cameras in both live and pre-recorded settings
- Coordinated with DP to set up all gear including cameras, lenses, lights, and audio equipment
- Offered suggestions on camera angles and lenses during production meetings
- Ensured all camera settings matched including color profiles, white balance, frame and shutter speed, etc...
- Maintained open communication with all team members
